

7.2.1 Describe one best practice successfully implemented by the Institution as per NAAC format provided in the Manual.

1. Title of the Practice: MCROJUMBLING IN SEMESTER END EXAMINATIONS

2. Objectives of the Practice: To minimize malpractices, improve performance and enhance interrelation among various disciplines.

3. The Context- Students should take exams seriously and the same department faculty are invigilating, students may take advantage and resort to unethical practices during exams.

4. The Practice. • All students of both Arts and Science discipline are jumbled.

- The seating arrangement goes as 6*4 per room , 24 students in a room
- In each row, students of arts and discipline are alternatively made to sit.

5. Evidence of Success - Evidence of success of the practice includes the students are moulded to study well and they find no scope to resort to malpractices.

6. Problems Encountered and Resources Required - This practice requires committed teaching staff who are disciplined and can control the students. There are no limitations or constraints faced during implementing the program.
